

Find me a
**PRIMITIVE
MAN**

Scintillating cocktail of comedy and cabaret about bitter ex-WAG Miss Tryhard's dating agency.

With fatally flawed advice
(‘Weddings are the best place to pull,
I think what puts the men off is my dress’)
and behaviour.

These memorable tips will last a lifetime.*
The songs lurch from musical excellence to
debauched bitterness.

Ludicrous logic, wicked observations
and cheeky chansons d’amour.

‘A perfect woman
if she had a lobotomy’
her ex

‘Britney has better taste in men’
her best friend

give very bad tips.
